PRODUCT DESCRIPTION

VIRIBRIGHT 200VA dimmer is the latest innovation by VIRIBRIGHT to dim the VIRIBRIGHT LED bulbs and incandescent bulbs. The rotary version is perfect for simple stylistic single gang in wall dimming in both residential and commercial settings. The VIRIBRIGHT 200VA dimmer dims the VIRIBRIGHT LED bulbs to zero and can be adjusted to leading edge performance from its "as shipped" configuration as a trailing edge dimmer and is available in both white and ivory.

VIRIDIM LAMP LOAD TABLE
